Come home to dinner, darling,
The washing's done to-day;
Rumses's Tub has done the job,
So you need not go to kiddleberger's, or Carey's] or any place che to get your dinner as an excuse Casey's, or any place size to get your distor as an excuse to stay away!

Having purchased the exclusive right of this city and county to sell Wisener's Patent Wash-Tub, and having given it a thorough trial, offer it to the citizens at as low a price as they can be manufactured. This Tub is no Machine, it has no cranks, cogs, belts, wheels, or any thing about it that can possibly get out of order, and can be worked by a "one supper power," and a "entell" one at that. Full directions for using will accompany each Tub, and an) Tub that does not give perfect satisfaction "may be returned and the money refunded." As an evidence of its utility see correspondence below.

Responses to the county of t be drawn in Baltimore, Md., Faturday, March 21, 1807.
